

FEBRUARY MONTH NEWS LETTER

Feb 2nd Junior college Campaign

We are delighted to share the success of our recent visit and campaign on February 2nd, 2024, where Government Degree College Yeleswaram collaborated with various junior colleges in Rajavommangi, Addateegala, and Yeleswaram. Led by our esteemed Principal and supported by our dedicated teaching and non-teaching staff, this initiative aimed to foster educational outreach and community engagement.

Throughout the day, our team engaged with students, educators, and community members, advocating for the importance of higher education and sharing valuable insights about the opportunities available at our institution. It was heartening to witness the enthusiasm and interest displayed by the students during interactive sessions and informational presentations.

This campaign not only strengthened our bonds with neighboring educational institutions but also underscored our commitment to promoting academic excellence and holistic development in our region. We extend our heartfelt gratitude to everyone who contributed to the success of this endeavor, and we look forward to continuing our collaborative efforts for the betterment of our community.

Feb 3rd College Field Trip

We are thrilled to highlight the enriching educational field visits organized for our students at Government Degree College Yeleswaram. On 03rd February, 2024 our B.Sc students had the opportunity to explore cormandel fertilizers in Kakinada, while our Commerce and Arts students embarked on a captivating journey through the historical museum in Kakinada. Additionally, our Botany students delved into the wonders of nature with a visit to the Coringa Forest.

Under the guidance of our dedicated Principal and the support of our esteemed teaching and non-teaching staff, these field visits provided invaluable hands-on learning experiences that complemented classroom teachings. Students had the chance to witness theoretical knowledge come to life, gaining practical insights and fostering a deeper understanding of their respective subjects.

These immersive experiences not only broaden our students' horizons but also instill in them a sense of curiosity, exploration, and appreciation for the world around them. We extend our sincere gratitude to everyone involved in organizing and facilitating these enlightening trips.

As we continue to prioritize holistic education and experiential learning, we look forward to more such opportunities for our students to grow, learn, and thrive.
